# Groups InCommon Directory *Spring* 2012

# Pastor Greg Wendschlag

---

InCommon...do you know that God made us for relationships? It's true. God designed us to do life together. Not just accomplish tasks, but to *do life* with one another. That's what our Groups InCommon are all about. Whether it is a hobby, Bible study or serving together, it is life to us. Sharing it is what makes it so fulfilling.

There are three kinds of groups that you'll find in this booklet:

**Connection Groups** – if your goal is to meet people around a common activity, these groups are for you.

**Growth Groups** – if your desire is to grow in your relationship with Jesus and deepen your walk with Him, these are the groups for you.

**Service Groups**– if you're looking for an area to volunteer in, these groups provide that opportunity. These groups are for you to enjoy but also to invite others to enjoy with you.

Why not bring a friend to your group? As you do life together you will find that everything in life is better. Check out the groups in this booklet and make some friends to enjoy life with.

In His grip,

Pastor Greg

# InCommon

*Just add friendship*

- Just add friendship to the things you share in common. It's that simple.
- This is not a complicated religious formula for converting people.
- True relationship results from true friendship.
- You don't need to be a Bible scholar, a super Christian, or have done this before... just share your friendship... and watch things happen.

Share *life InCommon. Just add friendship.*

Do you have a **passion** you would like to share with others? Sign up for the next New Leader Orientation!

Sunday, April 15<sup>th</sup>, 1:00 – 4:00pm

Please contact Bill Moll at (650) 851-5117 for more information.

# Big Groups – Middle School

---

## *What do you GRAPPLE with?*

Middle Schoolers have inquisitive minds and an overwhelming desire for REAL relationships. Here we give them a place to find that, a place that speaks THEIR language and makes them feel safe.

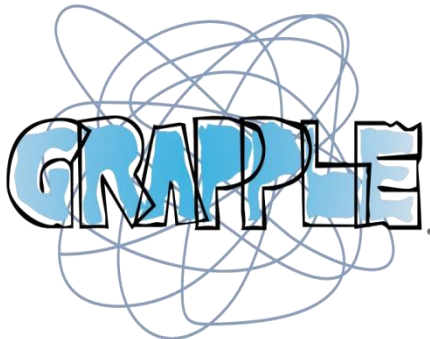

Our Goals:

- TACKLE the tough questions your Middle Schoolers are asking about their own relationships with God, others, and themselves.
- CAPTIVATE their attention by digging into real-life issues they are dealing with every day.
- ENGAGE their participation through attention-grabbing lessons, thought-provoking videos, crazy games, and deep, life changing Bible lessons.
- INSPIRE them to connect with each other on their own online community.
- ENCOURAGE faith practice with weekly challenges that dare middle schoolers to live what they've learned in simple yet effective ways.

We are a group of individuals that love to serve and nurture people and may even like to cook. Individuals in the body alert our ministry when they might be in a time of need (birth of a baby, death in the family, illness, etc). Our group takes turns bringing meals to the family when they are busy with this life event. It is a very easy way to bless people and leaves a huge impact in their lives.

Group Type: Anyone

Childcare: No

All group meetings are done online as we discuss how to bless those in need. Contact Jennifer for how to get on the emailing list.
